

Thank you for your interest in exhibiting your work at the Gallery @ First Parish; the Gallery Team appreciates your interest and involvement.

Please print or photocopy one label for each entry.

Our Mission Statement

The Gallery Team at First Parish, Unitarian Universalist, in Bedford includes church members interested in supporting artists in our congregation and in the wider community. Because we believe spiritual growth is enhanced by involvement with and exposure to art, a gallery has been established in the church where the work of First Parish artists and local artists can be viewed by all. Emerging and professional artists are welcome to participate in our exhibits.

About your work

All work must be framed and ready to hang using picture wire; saw-tooth hangers or clips are unacceptable. The picture wire should be placed on the upper third of the picture and it is important that the wire be taut. Please tape your information label to the back of each picture. At the moment, we can only accept 2-D work until we have the facilities to safely show three dimensional pieces.

Art work may or may not be available for sale. Prices will be listed on the gallery card, or on the exhibit notebook, and sales must be arranged directly with the buyer. In the event of a sale, a 15% donation to First Parish would be appreciated. Beginning in September, 2013 the Gallery will appreciate a donation of \$5 per work of art submitted.

A member of the Gallery Team will act as a liaison to each artist, and will curate each show and its reception.

The Gallery Team is responsible for hanging the shows. They will create labels and gallery materials for each show, and provide publicity for the exhibit. A digital announcement may be available for the artist to distribute.

An artist's reception is the responsibility of the individual artist or group showing work. The timing of a reception must be coordinated with the Gallery Team and the overall church schedule. *A fee of \$5 per artwork will be assessed to support the artists' receptions.*
